Ain't no sunshine  
Don't know why  
Come away with me

Fields of gold  
At Last  
I've got you under my skin  
Fallin for you

Close to you  
Time after time  
You to me are everything  
All that Jazz  
Turn me on  
Kissing you  
Sunrise  
Truly Madly Deeply  
Somewhere over the rainbow  
The best is yet to come  
Just the way you are  
Moondance  
Can't take my eyes off you  
Steal my kisses  
Smooth Operator  
If I ain't got you  
Unchained Melody  
All of Me  
Fly me to the moon  
Thinking out loud

Perfect
