I saw her standing there  
I want a new drug  
I was only 19  
I went back down  
I'm a believer  
I'm like a bird  
I'm on fire  
I'm outta love  
I'm yours  
If you could only see  
Is this love  
It had to be you  
Jessie's girl  
Johnny b Goode  
Knock on wood disco  
L.O.V.E love  
Learn to fly  
Leave me alone  
Let's stick together  
Like a prayer  
Like it like that  
Little lion man  
Living on a prayer  
Lost  
Love generation  
Love shack  
Love story  
Love today  
Lucky  
Make me smile  
Mamma mia  
Mean to me  
Mercy – Duffy  
Missing you  
Mister Brightside  
Mister Jones  
Money for nothing  
More than this  
Mustang sally  
My baby just cares for me  
My happiness  
My sharon  
Never tear us apart  
No such thing  
Nutbush  
Oh what a night  
One (U2)  
One angry dwarf  
Opportunity  
Please don't leave me  
Poker face  
Pretty woman  
Rain  
Rebel rebel

Reckless  
Rising sun  
River deep mountain high  
River runs dry  
Rocking in the free world  
Romeo and Juliet  
Run to paradise  
Sand in my shoes  
Save tonight  
Senses working overtime  
Sex and candy  
Sex on fire  
Sexual healing  
Shake your tail feather  
Shimmer  
Since you've been gone  
Sitting waiting wishing  
Slice of heaven  
Slide  
So beautiful  
Solid rock  
Son of a preacher man  
Songbird  
Speechless  
Stand by me  
Staying alive  
Steal my kisses  
Strong enough  
Stuck in the middle  
Suddenly I see  
Summarize  
Summer of 69  
Sunday bloody Sunday  
Sway  
Sweet disposition  
Sweet home Alabama  
Tainted love  
Take on me  
Taylor  
Teenage dirt bag  
Thank you  
The boxer  
The cave  
The fear  
The horses  
The middle  
The scientist  
This is who I am  
This love – (Sugarland)  
Throw your arms around me  
Time of your life  
Times like these  
To be with you  
To her door

Trouble  
Twist and shout  
Uptight  
Use somebody  
Valerie  
Video killed the radio star  
Viva la Vida  
Waiting on the world to change  
Waking up in Vegas  
Walking on sunshine  
Waterloo  
Weather with you  
What I like about you  
Who knew  
Who says  
Why does it always rain on me  
Why Georgia  
Wish you well  
Wonder wall  
Working class man  
Would I lie to you (Charles and Eddie)  
Yellow  
You are all I have  
You are so beautiful  
You shook me all night long  
You're no good  
You're so vain  
Your body is a wonderland
